

Request from NERPS for joining the NERPS 2027 Conference in Jakarta

– Deadline for submission of abstracts extended from September 30 to October 31, 2026 –

Dear Students,

KANEKO Shinji, Prof., Dr. Eng.
Executive Vice President (Global Initiatives)
Director, Network for Education and Research on Peace and Sustainability
Hiroshima University

MIYAZAKI Seiichi, Prof., Dr. Eng.
Executive Vice President (Research)
Hiroshima University

We would like to inform you that the deadline for submission of abstracts to the NERPS 2027 Conference in Jakarta is extended from September 30 to October 31, 2026.

We would appreciate it if you would cooperate with us in our attempt to increase the number of participants from Hiroshima University.

We are eagerly looking forward to active participation of students from Hiroshima University. Participation of HU students has the following special merits:

- 1) The NERPS 2027 Conference provides each of its participants with an opportunity to make a presentation of his/her research work at an international setting with approximately 200-300 participants from 70-100 higher educational institutions and research institutes in about 30 countries.
- 2) Selected full papers will be invited to submit to the NERPS journal, *Peace and Sustainability*, published by Elsevier. Authors are encouraged to submit their full papers for consideration in the 6th volume of the NERPS conference collection published by Springer Nature under the *World Sustainability Series* (Scopus-indexed).
- 3) Scholarship in the amount of 120,000 Japanese yen to partially/fully cover transportation and accommodation will be provided to 7 HU students with full paper proposals. Around 20 HU students will have their registration fees waived.
