# TGO App

Your "door" to fostering new friendships and making student life more convenient!

The first step is this app!

## 1 Find circles of interest and new friends.

The "Community" and "Event" pages allow you to find and send out information about circles and events.

With a single tap, you can add circles and events to your favorites, and the comment function allows you to enjoy communicating with new friends.

## 2 Information for you is automatically displayed.

Information is customized according to your most frequently viewed pages, so that information for you is displayed on the top screen.

You can depend on the AI to automatically display important announcements and information you want to know.

## 3 Receive coupons for student life.

Coupons for special deals at on-campus and off-campus stores are distributed on an irregular basis. Each coupon can be used up to once by presenting the coupon screen.

## Multilingual Communication Official LINE Account

Comprehensive support from university life to daily life!

### 1 You will receive notifications according to your nationality.

Japanese, English, Chinese (simplified), Vietnamese, Indonesian, and Portuguese are supported.

### 2 Translate your symptoms & know where to find medical care.

Translate your physical ailments from multiple languages to Japanese. Medical institutions that match your symptoms are displayed so you can see a doctor with peace of mind.

### 3 You can ask questions about information you want to know.

When you ask questions about necessary living and procedural information, the conversational AI will conveniently answer you in your native language.

## Electric vehicle (EV) car-sharing

Driving and parking assist functions are included to support comfortable driving!

### 1 Easy application with a single smartphone.

Simply upload your driver's license and credit card to register for a new account.

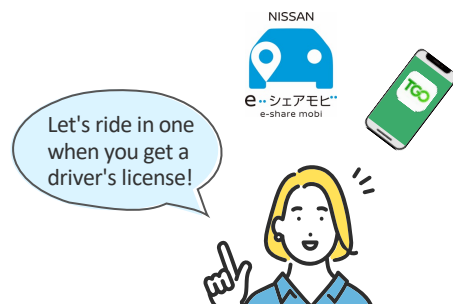

### 2 Web reservations available 24 hours a day, 7 days a week.

The process from reservation to boarding is smooth, as reservations can be made 24 hours a day, 7 days a week via the web and the door can be opened and closed with a driver's license.

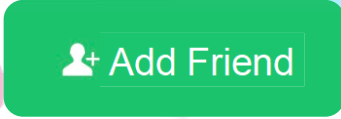

### 3 Easy to use at 200 yen\*/15 min.

Since the service is available in 15-minute increments, you can easily fit it into your own schedule, whether you are going to the hospital, going out, shopping, etc.

\* Prices are scheduled through October 2024.
