

Corresponding new and former graduate school & program names

1. Graduate School of Humanities and Social Sciences

New graduate school		Former graduate school	
Major	Program	Graduate School of ..	Major
Humanities and Social Sciences	Humanities Program (M · D)	Letters (1)	Humanities (M · D)
	Psychology Program (M · D)	Education (7)	Psychology (M)
			Educational Studies (D)
	Law and Politics Program(M · D)	Social Sciences (2) (3)	Law and Politics (M · D)
	Economics Program (M · D)		Social and Economical Systems (M · D)
	Management Program (M · D)		Management (M · D)
	International Peace and Co-existence Program (M · D)	International Development and Economics (IDEC) (5)	Development Sciences (M · D)
	International Economic Development Program (M · D)		Education and culture (M · D)
Integrated Arts and Human Sciences Program (M · D)	Integrated Arts and Sciences(6)	Development Sciences (M · D)	
		Integrated Arts and Sciences (M · D)	
Education	Educational Design for Teacher Educators Program (M · D)	Education (7)	Learning Development (M)
			Educational Studies (M · D)
	Educational Studies Program (M · D)		Education (M)
			Higher Education (M)
	Teaching Japanese as a Second Language Program (M · D)		Educational Studies (D)
		Teaching Japanese as a Second Language (M)	
		Educational Studies (D)	
	International Education Development Program (M · D)	IDEC (5)	Educational Studies (M · D)
Educational Development	Professional Development Program for Teachers and School Leaders (P)	Education (7)	Educational Development (P)
Law Practice	Program for Law Practice Professionals (P)	HU Law School(4)	Law (P)

2. Graduate School of Advanced Science and Engineering

New graduate school		Former graduate school	
Major	Program	Graduate School of ..	Major
Advanced Science and Engineering	Mathematics Program (M · D)	Sciences (8)	Mathematics (M · D)
	Physics Program (M · D)		Physics (M · D)
	Earth and Planetary Systems Science Program (M · D)		Earth and Planetary Systems Science (M · D)
	Chemistry Program (M · D)		Chemistry (M · D)
	Applied Chemistry Program (M · D)	Engineering (9)	Applied Chemistry (M · D)
	Chemical Engineering Program (M · D)		Chemical Engineering (M · D)
	Electrical, Systems, and Control Engineering Program (M · D)		System cybernetics (M · D)
			Mechanical systems engineering (M · D)
	Mechanical Engineering Program (M · D)		Mechanics and engineering (M · D)
	Transportation and Environmental Systems Program (M · D)		Transportation and Environmental Systems (M · D)
	Architecture Program (M · D)		Architecture (M · D)
	Civil and Environmental Engineering Program (M · D)		Civil and Environmental Engineering (M · D)

	Informatics and Data Science Program (M · D)		Information Technology (M · D)
	Quantum Matter Program (M · D)	Advanced Sciences of Matter (10)	Quantum Matter Science (M · D) Integrated Sciences on Semiconductors (M · D)
	Transdisciplinary Science and Engineering Program (M · D)	Integrated Arts and Sciences(6)	Integrated Arts and Sciences (M · D)
		IDEC (5)	Development Sciences (M · D)
	Smart Innovation Program (M · D)	Engineering (9)	Applied Chemistry (M · D)
			System cybernetics (M · D)

3. Graduate School of Integrated Sciences for Life

New graduate school		Former graduate school	
Major	Program	Graduate School of ..	Major
Integrated Sciences for Life	Program of Biotechnology (M · D)	Advanced Sciences of Matter (10)	Molecular Bioscience (M · D)
	Program of Food and AgriLife Science (M · D)	Biosphere Science (11)	Bioresource Science (M · D)
	Program of Bioresource Science (M · D)		Biofunctional Development Sciences (M · D)
	Program of Life and Environmental Sciences (M · D)		Environmental circulatory systems control (M · D)
		Integrated Arts and Sciences(6)	Environmental circulatory systems control (M · D)
		Sciences (8)	Integrated Arts and Sciences (M · D)
	Program of Basic Biology (M · D)		Biology (M · D)
Program of Mathematical and Life Sciences (M · D)	Mathematical and Molecular Biosciences (M · D)		
	Program of Biomedical Science (M · D)
