

Introduction to University Library

A high-angle, wide shot of a modern university library atrium. The space is multi-leveled, with a central ground floor and two upper levels. The ground floor features long wooden bookshelves with colorful book spines, several round wooden tables with chairs, and people sitting and reading. The upper levels are enclosed with glass railings and contain more bookshelves, study tables, and people. The architecture is bright and open, with large windows and a clean, minimalist design. The text "Introduction to University Library" is overlaid in the center in a large, bold, black font with a white glow.
