Inquiry: Hiroshima University Global Initiatives Group (Student Plaza 3F)

# Academic consultant matters

Example:

- Conflict between international students and supervisors  
(Difficulties of getting consensus about research topic, differences of research style, less guidance, etc.)
- Cultural adjustment difficulties in learning  
(Language, lecture style, etc.)
- Conflicts with lab mates regarding research collaboration/ using lab rules
- Less understanding information from office  
(Language, Degree/credits system, certification, etc.)
- Uncertainly/anxiety about future education/ career

# Rules for research students

- Admission for research will be canceled if a research student doesn't pay their research fees within 3 months of the date of admission.
- After Admission We will check research progress by means of a record written by the research student which depicts specific study/research contents using the format of “Research journal「研究報告」” etc..

# Student Supporter System for Newly Arrived International Students

## 【Role of Student Supporter】

To assist smooth settlement of newly arrived international students in new environment within and around campus.

### 1. Daily Life Support

Pick-up from airport/station; Completion of move-in procedures at City Hall; Assistance to settle in dormitory/apartment( incl. electricity, gas, and water); Opening a Bank Account; Purchasing daily necessities, etc.

### 2. University Life Support

Assistance to apply for tuition exemption/scholarships; Course registration  
Explaining how to use facilities in campus; Accompanying orientations, etc.

\***Period of support** : Actual support and maximum hours of service will be decided in consultation with Student Support Offices.
